School-Where else can you learn, love, compete, make friends, laugh and grow?

Administration sets an example. Teachers put knowledge before us. But students hold the Key. The Key to themselves. They may or may not use this Key to become a part of what "School" has to offer. It's all here . . . learning, loving, competition, friendship and laughter. Use your Key and enjoy "School."

ANNIE GET YOUR GUN
EDON HIGH SCHOOL MUSICAL

Annie (Karen Siebenaler) and Frank (Steve Bloir) sing.

The love story of Annie Oakley and Frank Butler is also the story of early Ohioans and their love of entertainment. It was this tale that Rodgers and Hammerstein brought to life in this year's musical, "Annie Get Your Gun."

Shooting matches, Indians, motorcycle rides, and dancing girls dressed in costumes made by the Home Economics Department, provided the back-ground for Annie (Karen Siebenaler), Frank (Steve Bloir), and their meddlesome partners, Charlie (Doug Holthues) and Dolly (Cindy Lemmon.)

Rehearsals started in March for the April 30-May 1 production with the selection of the cast by directors Jim Gallehue and Lyn Peugeot. For weeks music coming from the band room consisted of such audience catchers as "There's No Business Like Show Business," and "I Can Do Anything Better Than You." Everything was right on schedule with Sherry Bowles ably assisting as student director.

Suddenly with nine hours until the curtain went up, the roof fell in. The scenery, on order from Columbus, was not going to arrive. Heads went together, Mrs. Hall and the art classes\went to work and at 8:00 the orchestra played, spotlights came on and the curtain opened to a stage filled with background pieces beautifully done by our own students.

Each day many Edon High School students, twenty-nine to be exact, leave their home school and travel to Four County Vocational School. Agriculture, Business and Office Education, Home Economics, and Trade and Industrial Education are the four major divisions of training. Altogether some thirty-four individual courses of study are offered. Through this training, work habits are developed, technical knowledge and basic performance skills are developed, and qualified people are placed in vocational job areas. Following is a list of Seniors and their chosen vocation:

SPORTS

Dan Ely is escorted off the field by Coaches Puegeot and Kaufman with an arm injury.

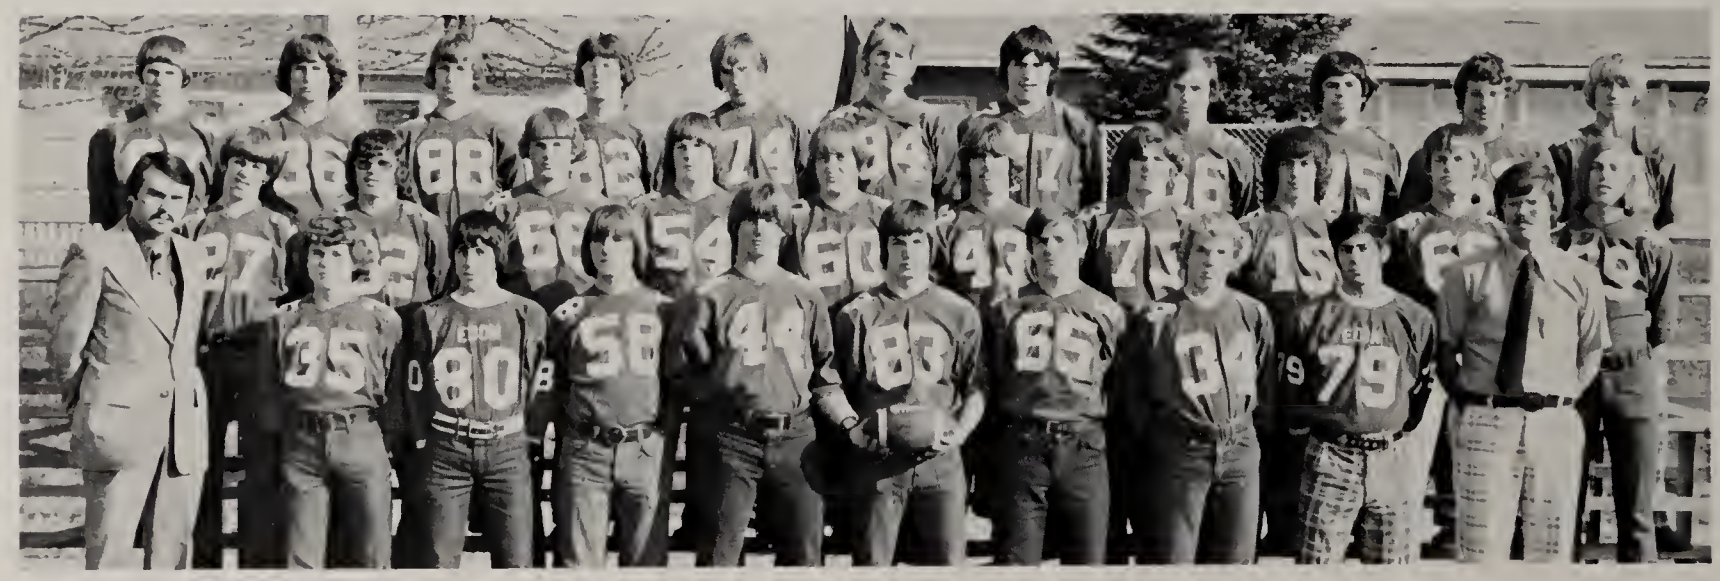

Mike Ely attempts a Bomber TD.

One of the many highlights of the 1975-76 season was October 19 when Edon hosted the Tinora Rams. With 2 minutes to go, Al Lupien blocked a Ram punt and Gary Bowling ran for a TD making the score 7-6. He then ran in for a two pt. conversion to make it 8-7, in the Bombers favor. Neil Bowling intercepted, with 46 seconds to go, a pass, And time ran out on the clock giving Edon another victory.

The Reserves had a similar occurance on Saturday, Oct. 18 when they over came the Edgerton Bulldogs with 2 minutes to go. A pass was thrown from Gary Bowling to Gary Gearhart who ran for 70 yards and a Touchdown. With one minute left on the clock, Kerry Matthews scored a 2 pt. conversion and Bombers won 8-7. This was the first year Edon had a Reserve team in 4 years.

THE 1975-76 FRESHMAN AND RESERVE BASKETBALL TEAMS

The Reserve Basketball Season came to a grand final with a thrilling 56-54 triple overtime victory over Antwerp on the last game of the season.

The reserves also scored impressive victories over Camden 60-34 and Fayette 51-40. Also included was a 50-43 overtime victory over Hilltop.

The team showed steady progress during the season and despite the lack of height played very well on many occasions. Close contests were lost to Hilltop and North Central and on several occasions the team played well during three quarters only to have one poor quarter and lose. Nevertheless, improvement was made and several players promise to be good varsity players.

COMMENDABLE SEASON

The Varsity Basketball team finished in the middle of what would have to be considered possibly the best Class A League in Ohio. Four Seniors, Floyd Goshorn, Kevin Skiles, Lynn Smith, and Randy Thiel, were among the starting five with only one returning starter, Randy Thiel.

Randy Thiel broke the single game scoring record with a 35 point burst at North Central. He also broke the single season scoring record set last year by Steve Bowling.

Faced with inexperience and against exceptionally fine competition, the Bombers made a very commendable showing in the 75-76 season.

Trophies brought home by the tracksters included the Buckeye Border Conference Championship, the Edgerton "Bulldog" meet, the Stryker "Panther Relays", the Ayersville Invitational, the Ottawa Hills Relays, and runner-up in the Wayne Trace Relays. VARSITY CHEERLEADERS

The 1975-76 Cheerleaders worked very hard to promote school spirit. The Varsity and Reserve went to camp during the summer at Bluffton, Ohio. During that week they learned new cheers, pom pom routines, and mounts.

They started off the football season with the annual Snake Dance and Bonfire. On Parent's Night they helped the band perform at half-time. As football season ended, Basketball season began and the cheerleaders sponsered a "Tip Off" Dance. During both football and basketball season they sold cake tickets to raise money for camp and new uniforms.

EDON HIGH SCHOOL KEY OF E STAFF

The Key of E Staff started out the year by selling advertisements. This year Deb Held served as our Business Manager and took care of all our financial matters. This project, along with selling hats and scarfs and 76 yearbooks provided the funds for making the printing of the Key of E possible. Shortly after, work began in the actual pages of the yearbook. Many new ideas were incorporated throughout the book such as printed information on each page, and many decorative techniques with photographs and artwork. With the many conflicting extracurricular activies, many meetings were held in the evenings at Mrs. Hall's home.

Each year the Spanish Club sends two members to study in Mexico. This year the scholarships went to Michelle Wertman and Mary Hoag. They will be traveling to Cuernavaca, Mexico in the summer months. To finance this program the members sold gift items in the fall.

New members were accepted and initiated into the Club at the October meeting. After holding a costume contest with new members dressed as people from the Spanish speaking countries, the new members were initiated. Now in jeans they were blindfolded and led by an old member through cooked spaghetti, tomatoes, and who knows what else. Also, a scavenger hunt was planned for new members.

At the November meeting Richie Frank, Pam Rockey, and Cheryl Flynn showed their slides of Mexico from their trip in the summer of 1975. A Christmas party complete with pinata was held in December and some members went caroling, singing in Spanish of course.

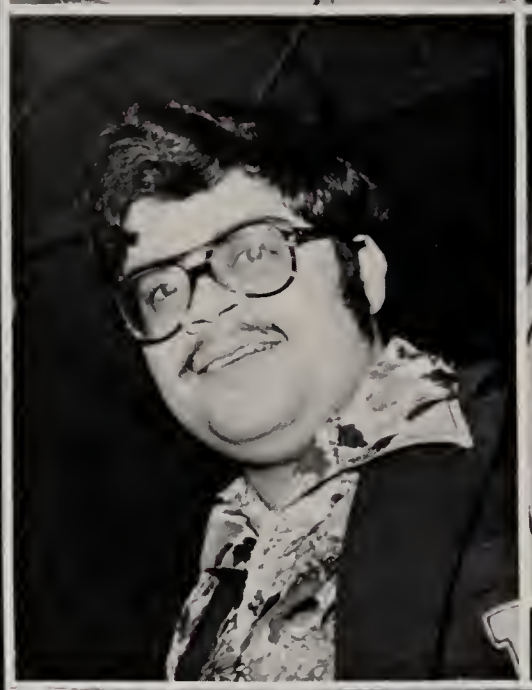

The Spanish Club Banquet was held in May with only active members attending. Prizes were awarded to the high point members.

Rie and some of her senior friends stop to pose for a picture. FROM LEFT TO RIGHT, Rie, Phil Aldrich,

Rie Suzuki, Elon's only exchanges student over the past year, left Tuesday, June 29 for her home near Tokyo, Japan.

Rie has spent the last 10 months with Mr. and Mrs. Ned Price, Trina, Tricia and Troy, Route 1, Edon.

She is not very anxious to go back to Japan and take her senior year in high school since all her classmates graduated this year.

Rie says she would very much like to go to College in the United States, preferably Defiance College. In Japan, it is difficult to get into college, only about 10 of each 200 who apply get into College.

She would like to thank everyone who made her feel so welcome.

Her home address in Japan is Rie Suzuki-9-204 Igusa-Residence; Igusa, Yashio-shi; Saitama-Ked Japan.

PHYSICS, U.S. HISTORY, PROM AND MANY, MANY MONEY PROJECTS

There are thirty-four boys and twenty-three girls in the Junior class making a total of fifty-seven students. Officers were elected in the fall and because of the small class size dues of $10 per student initiated. Mr. Thiel, class advisor, worked with the class to get ready for Homecoming. Advertising was sold to pay for programs for the Homecoming game while the Homecoming committee developed the theme "The Year Of The Bicentennial." An 8 foot by 5 foot 1776 flag was made by Sis Hug and Mary Hoag and wicker chairs, donated by Mrs. Clela Curry, adorned the float for the Queen and Court.

Because the Junior class is small it was decided to have a slave Day to raise money. Dennis Curry plowed a field, Larry Kline turned his home into a car wash and other Juniors had jobs raking leaves and washing windows. The Junior class also sold programs at basketball games with cover designs by Tom Peckinpaugh and Dave Thomas.

Junior Class officers are: FRONT ROW: Mary Hoag, President, and Kay Herman, Vice-President. BACK ROW: Lisa Mohre, Secretary, and Rhonda Fenstermaker, Treasurer.

CLASS OFFICERS

The Sophomore class consists of seventy-eight students. There are thirty-nine boys and thirty-nine girls.

One of the many things the Sophomore's look forward to is making a float for the Home-coming. They worked on the float at Joe Wolfe's Garage under the advisement of Mr. Caris. Kenny Siebenaler furnished the tractor, the wagon, and his driving ability.

Another thing the Sophomore's look forward to is ordering their class rings. They ordered them on October 8th and received them on March 12th. They were all very excited to receive them.

Sophomore Class Officers are: FRONT ROW Dan Ely, President and Curtis Stantz, Vice-President. BACK ROW: Kevin Hollstein, Treasurer and Laura Thiel, Secretary.

FRESHMAN: EAGER, YOUNG, AND ABLE

The Freshman class consists of seventy-eight students. There are thirty-nine boys and thirty-nine girls.

The most important event of the year for Freshman is decorating a float for the Homecoming. This year they won second with a float depicting, "Sink the Hamilton Marines."

Mr. Jerdonek, class advisor, was busy with the football team and asked Miss Pollock to help with the float. They worked on the float at Nickie Mohre's home.

Nickie's pet goat, "Nuisance," tried to get into the action. While the Freshman were busy working on the float, "Nuisance" was busy working on the tail lights of Mr. Jerdonek's car and Miss Pollock's purse. Both were recoved before any real damage was done, but many Freshman will long remember the helpful "boost" given by "Nuisance."

Freshman Class Officers are: FRONT ROW, Mel Lyons-President, Dave Blue-Vice-President. BACK ROW: Mark Blue-Treasurer, Nancy Long-Secretary.

DEDICATION

MRS. FERN HEMENWAY

Mrs. Fern Hemenway has taught a total of thirty-six years. Her career began in 1936 in a one room school house in Williams Center, Ohio. She had thirty students and taught all eight grades for one year. She then taught for two years, again all eight grades, at Union Corners Country School located north of Springlake Grange. Enjoying just one grade, fourth grade, she taught for twenty-five at Edon. When the schools were consolidated, into Edon-Northwest, she moved to third grade at the Northwest building. She has taught there for the last seven years. Her students remember the special stories she used to read, and the beautiful decorations in her school room from her travels. Mrs. Hemenway, who loved teaching, will be remembered with love by many past, present and future graduates of Edon High School. She holds a Bachelor of Science Degree from Bowling Green State University which took twenty-nine years to get.

MRS. VIVIENNE WATERSTON

Mrs. Vivienne Waterston began her teaching career substituting at the historic Hay Jay School. She taught all eight grades, all subjects with janitorial duties. Moving to Northwest School, she helped with an overflowing enrollment. After teaching second semester at Ainger School, Mrs. Waterston returned to Northwest to teach second and third grades, the year the new addition was built. Since then she has taught fourth grade at Northwest for a total of twenty years of teaching.

Students remember the programs she presented the Mothers Club, with each student having a part. She always took time to answer notes to her student papers and also allotted space on the new blacktop at Northwest School for each activity. Students also remember being required to eat at least two bites of each food on their tray when Mrs. Waterston had cafeteria duty and the cooks, knowing her dislike for peas, always gave her two spoonfuls when peas were served.

Many students at Edon High School have fond memories of Mrs. Waterston, lovelingly known as "Mrs. Wet Rock."

Mrs. Waterston holds a two year Diploma from Bowling Green State University.

HIGH SCHOOL FACULTY

The High School Faculty welcomed a new Principal to Edon High School this year. Coming from southern Ohio, Charles Swogger served as Principal at Eastern High School in Reedsville, Ohio for two years before coming to Edon. When questioned about his first year at Edon, Mr. Swogger stated that he had 'enjoyed the opportunity of working with the students of EHS.'

The faculty also welcomed three new teachers this year. They were Miss Kathy Goniotakis, Miss Kristina Pollock, and Mrs. Connie Richer. Both Miss Pollock and Mrs. Richer began their first year of teaching this year, but Miss Goniotakis had taught previously in Delta, Ohio.

BUS DRIVERS

The Bus Drivers have many duties to perform. Each has a special bus route. Dayton Young, for example, drives the Kindergarten bus, and team buses for all sports besides driving bus in the morning and after school. Junior Lloyd drives when he is needed and during the years he has been a janitor at Edon High School, he has driven every route. All the drivers enjoy driving bus, and believe the kids make their job more fun.

Bus Drivers: Russell Kuckuck, Norman Kuckuck, Junior Lloyd, James Burlew, Rosa Burlew, Mildred Faulhaber, Dayton Young, Bob Reamsnyder.

EDON HIGH SCHOOL COOKS AND CUSTODIANS

Edon High School is fortunate to have Donna Price, and Millie Luke in the kitchen. They prepare such delicacies as Lasagne, Salisbury Steak, Fried Chicken, Tacos, Pumpkin Custard, Ginderbread, and Peach Delight. This year a Milk Shake Machine was added operated by Junior Lloyd. He always seemed to have business. Donna has worked in the E.H.S. kitchen for five years and Millie, 10 years. Both enjoy bring with the students.

The Janitors, in charge of building maintenance, need to be handy, handy men. Dayton has been at Edon High School since before the addition was added to the school, but Junior has only been with the system for five years. They also double as bus drivers as do Larry Hug and Robert Reamsnyder. Ron Schuller is a night watchman and janitor. He also opens the school on Thursday evenings and Sunday afternoons for community use. Ron remembers a frustrating yet amusing moment with the schools heating system. Late one cold winter night, the heating system refused to work properly. Ron, assisted by Dayton, Junior and Superintendent, Kent Adams, were adjusting a relief valve over Mr. Fritz's office. Mr. Adams took over the adjusting and turned the valve a bit too far. Water flowed out and Mr. Adams got soaked! Even with those few dismaying moments, all the janitors enjoy their jobs and the students at Edon High School.

Cooks, Donna Price and Millie Luke, happily prepare lunch.

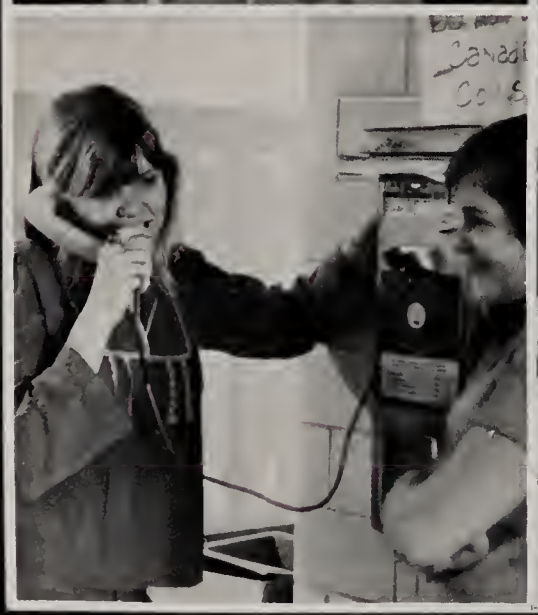

Janitors, Robert Reamsnyder, Junior Lloyd, Dayton Young, Larry Hug, and Ron Schuller.

GRADES

Eighth Grade Cheerleaders: Lisa Schaffter, Lisa Miller, Kim Seegert, captain, and Lori Wagner.

The eighth grade cheerleaders were chosen last October by a panel of Junior High Teachers. Kim Seegert was chosen captain and Tammy Rehmert, seventh grade captain, was eighth grade alternate. They cheered at all Eighth Grade Games, helped with a high school football half-time show, and helped sell cake tickets at high school basketball games. Among the amusing moments of the season, the girls did a cheer to present the team and the boys didn't come out of the locker room.

JR. HIGH CHEERLEADERS

Seventh Grade Cheerleaders: Teena Kissinger, Cindy Brigle, Barb Hoffman, and Tammy Rehbert, captain.

The seventh grade cheerleaders were chosen in October along with the eight grade cheerleaders. Two individual cheers were required and one group cheer. Tammy Rehmert was chosen captain, with Barb Long chosen alternate. The girls cheered all seventh grade basketball games which were held after school. At one game Cindy Brigle became upset with a fellow cheerleader and threw her Pom-Poms at Barb Hoffman. Despite this amusing incident, the boys had a winning season.

NORTHWEST COOKS AND CUSTODIAN

Geraldine Mason has been a cook at Northwest for 20 years. She's seen many a student come and go. She takes care of banking the lunch money.

Patricia Slagle has been at Northwest for 13 years. Both women are there daily from 7:30–1:00. The cooks really enjoy their job. They feel they are building the kids' bodies, while teachers are building their minds.

Hugh Skiles has been the school's janitor for 12 years. He also drove a school bus for nine years before that. His main job at Northwest is general maintenance and care for the building. If you ever drive past the school, you'll see the fine job he's done.

Mr. Skiles takes time out of his busy schedule to pose and smile.

Mrs. Mason and Mrs. Slagle join the "lunch bunch" for a picture.

This is the 1976 Key of E. A Key, a story about, the students at Edon High School. In it you found yourself, your friends, your teachers, and maybe a younger brother or sister. We've included everyone who goes to "School." Not only High School students, but Middle School and Elementary students are included. They are also a part of "School." All Seniors started out in Kindergarten, didn't they? We all experience "School" no matter what the age. The love, the laughter, the learning, the competition, the friends-that is "School." A building filled with people-Students, Teachers, and Administrators. Because of all these People, there were many stories to tell and pictures to show you. What happened at Edon High School in 1976, America's 200th Birthday? It's all right here proudly presented to you in your 1976 Key of E.

School begins in kindergarten. Receiving her Kindergarten Diploma, Jodi Kurtz smiles with Superintendent Kent Adams.

With Graduation, [illegible]don High School bids its st[illegible]ents a fond "Good Bye. [illegible]vin Brigle receives th[illegible] Salutatory Award from [illegible]uperintendent Kent Adam[illegible] during Graduation ceremo[illegible]ies.

"School" a building filled with people. But sometimes "School" is outside. Mr. Caris and his students experience "Spring Fever" at Edon High School on a warm day in April.

Lyle,

To one of the cutest guys I know who has a great personality. I will never [redacted] forget all the good times we've had together. I hope you have the best possible life because you deserve it. Remember to keep that same smile and personality and you'll go far.
